

## Deduction Mysteries

### CASE 01

The adoption papers were taken from the research area of City Records Office between 16:20 and 18:15. The operation required technical training. Five people had any plausible connection: Zara (records administrator), Bayan (security officer), Diallo (conservation specialist), Oren (genealogist), Florian (intern).

#### Q Who took the adoption papers?

1. Florian was at a scheduled training course during the window.
2. Florian's research-room pass was not used at any point during the window.
3. Zara was documented by the archive log in a different building during the window.
4. Diallo claims to have been working alone in their office during the window. No supporting evidence has been provided.
5. The research area is normally accessed only via vault key, and Diallo's archive badge was used at 16:20.
6. Bayan was documented by the archive log in a different building during the window.
7. The theft required technical training – only Diallo and Oren have this among the five.

### CASE 02

A client database was taken from the legal archive of Quartermaine & Associates between 16:30 and 19:15. The operation required technical training. Five people had any plausible connection: Daphne (legal counsel), Kalinda (security officer), Hattie (CFO), Nikolai (records clerk), Zara (senior engineer).

#### Q Who took the client database?

1. The corporate theft required technical training – only Kalinda and Nikolai have this among the five.
2. The legal archive is normally accessed only via document-room code, and Nikolai's admin credentials was used at 16:30.
3. Daphne was documented by the witness account in a different building during the window.
4. Kalinda's door access record confirms they were at the external office from 16:30 to 19:15.
5. Nikolai claims to have been out for a long break during the window. No supporting evidence has been provided.
6. Zara was at a scheduled conference call during the window.
7. Hattie was at the main office the entire window during the window.

### CASE 03

The pharmacy keys were taken from the intensive care wing of Northgate Memorial between 15:40 and 18:00. The operation required required certifications. Five people had any plausible connection: Zoltan (janitor), Kiran (attending physician), Odell (technician), Tatum (volunteer), Joren (social worker).

#### Q Who took the pharmacy keys?

1. Zoltan was at a scheduled external meeting during the window.
2. Kiran was at the front desk the entire window during the window.
3. Zoltan's pharmacy key was not used at any point during the window.
4. Odell claims to have been working alone in their office during the window. No supporting evidence has been provided.
5. Joren's door sensor confirms they were at the off-site location from 15:40 to 18:00.
6. The theft required required certifications – only Joren and Odell have this among the five.
7. Tatum was at the external facility the entire window during the window.

## Deduction Mysteries

### CASE 04

The sealed wills were taken from the administrator office of City Records Office between 16:45 and 19:30. The operation required expert knowledge of the system. Five people had any plausible connection: Meriel (records administrator), Cassia (volunteer), Simeon (head archivist), Zinnia (researcher), Nikolai (conservation specialist).

#### Q Who took the sealed wills?

1. Nikolai claims to have been offsite for a personal errand during the window. No supporting evidence has been provided.
2. Cassia was at a scheduled external meeting during the window.
3. Simeon was documented by the reading-room sign-in in a different building during the window.
4. Meriel was at the main office the entire window during the window.
5. The administrator office is normally accessed only via admin code, and Nikolai's archive badge was used at 16:45.
6. Cassia's research-room pass was not used at any point during the window.
7. Zinnia's camera footage confirms they were at the off-site location from 16:45 to 19:30.

### CASE 05

The title transfer documents were taken from the registration desk of Saint-Clair Historical Society between 14:45 and 16:30. The operation required required certifications. Five people had any plausible connection: Rhys (records administrator), Quentin (conservation specialist), Anand (genealogist), Nizar (head archivist), Cedric (volunteer).

#### Q Who took the title transfer documents?

1. Rhys was at a scheduled conference call during the window.
2. Quentin's badge swipe confirms they were at the external office from 14:45 to 16:30.
3. Rhys's admin code was not used at any point during the window.
4. Anand was documented by the archive log in a different building during the window.
5. The theft required required certifications – only Cedric and Quentin have this among the five.
6. Cedric claims to have been out for a long break during the window. No supporting evidence has been provided.
7. Nizar was documented by the reading-room sign-in in a different building during the window.

### CASE 06

A science project was taken from the locker room of Saint-Clair School between 14:30 and 17:10. The operation required specialized access privileges. Five people had any plausible connection: Lana (student council president), Noor (department head), Selene (librarian), Odell (principal), Amelia (teacher).

#### Q Who took the science project?

1. Noor was documented by the door sensor in a different building during the window.
2. The locker room is normally accessed only via staff key, and Odell's master key was used at 14:30.
3. The theft required specialized access privileges – only Odell and Amelia have this among the five.
4. Selene was at the main office the entire window during the window.
5. Amelia's attendance log confirms they were at the off-site location from 14:30 to 17:10.
6. Lana was at the main office the entire window during the window.
7. Odell claims to have been out for a long break during the window. No supporting evidence has been provided.

## Deduction Mysteries

### CASE 07

An original land deed was taken from the administrator office of City Records Office between 15:45 and 17:45. The operation required required certifications. Five people had any plausible connection: Kalinda (records administrator), Thora (administrator), Amelia (intern), Selene (conservation specialist), Quentin (genealogist).

#### Q Who took the original land deed?

1. Selene claims to have been working alone in their office during the window. No supporting evidence has been provided.
2. Quentin was documented by the camera footage in a different building during the window.
3. Kalinda was at a scheduled conference call during the window.
4. Amelia's vault entry record confirms they were at the off-site location from 15:45 to 17:45.
5. Thora was at the main office the entire window during the window.
6. The administrator office is normally accessed only via research-room pass, and Selene's archive badge was used at 15:45.
7. Quentin's vault key was not used at any point during the window.

### CASE 08

A restricted-area code was taken from the medical records of Saint-Clair Hospital between 15:40 and 18:45. The operation required specialized access privileges. Five people had any plausible connection: Marisol (administrator), Ilya (pharmacist), Lucia (security officer), Quentin (technician), Cedric (head nurse).

#### Q Who took the restricted-area code?

1. Ilya was at a scheduled conference call during the window.
2. Lucia was at the main office the entire window during the window.
3. Quentin's hospital badge was not used at any point during the window.
4. Marisol's medication audit confirms they were at the external office from 15:40 to 18:45.
5. Quentin was at the external facility the entire window during the window.
6. The theft required specialized access privileges – only Marisol and Cedric have this among the five.
7. Cedric claims to have been offsite for a personal errand during the window. No supporting evidence has been provided.

### CASE 09

The clinical trial samples were taken from the imaging room of Pemberton Medical between 14:45 and 17:10. The operation required specialized access privileges. Five people had any plausible connection: Quincy (head nurse), Cassia (medical resident), Kasper (pharmacist), Gisela (attending physician), Dario (social worker).

#### Q Who took the clinical trial samples?

1. Gisela was at a scheduled conference call during the window.
2. Cassia claims to have been out for a long break during the window. No supporting evidence has been provided.
3. The imaging room is normally accessed only via administrator code, and Cassia's hospital badge was used at 14:45.
4. Kasper's badge log confirms they were at the external office from 14:45 to 17:10.
5. Gisela's hospital badge was not used at any point during the window.
6. Dario was at a scheduled external meeting during the window.
7. Quincy was at the main office the entire window during the window.

## Answer Key – Deduction Mysteries

Solve before peeking. Correct suspect and key reasoning steps below.

---

### Case 01 B) Diallo

- ☒ The theft required technical training.
  - ☒ Zara lacks the required skill – cleared.
- 

### Case 02 B) Nikolai

- ☒ The corporate theft required technical training.
  - ☒ Daphne lacks the required skill – cleared.
- 

### Case 03 D) Odell

- ☒ The theft required required certifications.
  - ☒ Zoltan lacks the required skill – cleared.
- 

### Case 04 D) Nikolai

- ☒ The theft required expert knowledge of the system.
  - ☒ Meriel lacks the required skill – cleared.
- 

### Case 05 E) Cedric

- ☒ The theft required required certifications.
  - ☒ Rhys lacks the required skill – cleared.
- 

### Case 06 A) Odell

- ☒ The theft required specialized access privileges.
  - ☒ Lana lacks the required skill – cleared.
- 

### Case 07 E) Selene

- ☒ The theft required required certifications.
  - ☒ Kalinda lacks the required skill – cleared.
- 

### Case 08 E) Cedric

- ☒ The theft required specialized access privileges.
  - ☒ Ilya lacks the required skill – cleared.
- 

### Case 09 D) Cassia

- ☒ The theft required specialized access privileges.
  - ☒ Quincy lacks the required skill – cleared.
-
